

The Elms
Chapel Allerton
W^{est} Leeds. Sept 28/67.

My dear Friend

I cannot allow a
²⁶¹post to pass, though I
wrote you a few lines last
Thursday enclosed under
cover to Mr. Nichols, to
relieve your mind from
any anxiety about our
plans for your welcome
to Leeds & the West Riding.
This morning brings me
letters from Mr. Baines
Mr. P. saying it will be
equally convenient to
him on the 21st to take the
chair, & accept it with
pleasure & from our old
friend George Thompson

To Mr. Lloyd Garrison Esq.

Saying he is coming on
a visit to a neighbour
of mine & shall be delighted
to join us at our meeting
& to help us in giving you
that hearty welcome he
knows so well. Fisk's
men can do & add "it was
with sincere pleasure
that I heard of the intention
of the Anti-slavery friends
in Leeds to hold a Meeting
for the Reception of our
noble friend Mr Garrison"
G. J. adds "it will be thirty-
four years & six months
on the occasion Mr
on the 14th October since ^{of Mr}
W. L. G.'s first visit to England."
I became acquainted with him
so you now see my dear
friend, that all things are
now nicely arranged again

If you need be under no
anxiety as to any extra
trouble given us, in con-
-sequence of the change to
the 21st - All our other
friends have easily made
the change, & our large
Hall we have re-engaged
for that day - I shall hope
to see you on the 19th (the
Saturday) as you now
propose, & give you that
rest you will need
before the 21st & do trust
your health by that
time will be greatly
restored. Our friend Mr
Nicket's letter from
Bradford you will have
got by this time, telling
you all particulars as to
